It is possible to end this piece at the end of bar 13. If the intention is to do this, then please note the following:
 At bar 13, the S1 lower part should continue singing a D [as per S1] . T should continue holding the G as per bar 12,
 and not sing the Tenor figure that starts at bar 13.

All parts should hold that bar as if it were a final one, except the T solo.
